

From President's Desk

Dear JVTians,

“Our Prostrations at His Lotus Feet, Jai Jagannath...”

By the grace of Almighty Lord, our much awaited & long-cherished Dream of owning a Roof over Head has finally come true. Despite the unforeseen Odds and avoidable Bottlenecks, the AFNHB Niladri Vihar Project took the Final Shape after a prolonged dragging of almost one Decade...! Subsequently, the Occupancy, Registration, Handing/Taking over, physical move-in, Interiors do-up etc. have all fructified. Finally, as of today, we all are proud Owners of our coveted DUs and few of us are the proud Resident-Owners at Ground Zero JVT.

At this moment of joyous jubilation, let's congratulate each other for having taken over our respective DUs from AFNHB in what so ever best of its hues n' color. Once again, I, on behalf of the JVT Governing Body Members, thank all the honorable DU Owners/Members for your unstinted support & whole hearted co-operation in electing us to the good office of the JVT RWA. We shall repose Trust of high order in our August General Body the way you have trusted us by electing as your Representatives.

‘The Journey has just begun...’

Amidst listless Tasks & Commitments clubbed with early teething Problems, the JVT Management Committee is committed and has resolved to make the JVT Society stand Firm and emerge as one of the best Gated Housing Societies in years to come. In terms of Safety-Security-Sanitation, in matters Living standards, in the fields of Extra-curricular and in the realms of Socio-Cultural-Educational Ventures, we JVTians shall leave no stone unturned to touch the Sky with Glory....

Co-operation and good will of one and all is earnestly Solicited.

God bless and God speed.
